Thanks, John!

It is true that I will have a bunch of helpers, thank goodness.

But Anne has so many more helpers than we did. Let's see, there's Amy, and Steve, and Silvina, plus her whole team in Seattle...

If we can be of assistance (in some way that would make your life easier) please let us know.

GOOD LUCK!!

(and remember – however bad the Proposed Plan drafting process is, the ROD drafting process is 10 times worse ;-)

Hey John or Alice,

I have been tasked with drafting the Proposed Plan for the Portland Harbor site. I have read your April 2014 Proposed Plan for the Lower Passaic and was hoping to use it as a template. I found a PDF of it online, but would you be able to send me a copy of your word document? We are hoping to issue ours by the end of March.

Thanks!

Anne
